Please note that a headband on it's own is **not sufficient** and pupils will be asked to ensure it is correctly tied up before they can commence their class.

Girls in classes: kinder to grade 2 who can get their hair into a ponytail must ensure it is tied up prior to commencing class. A ballet headband may also be worn for those pupils who have slightly shorter hair and cannot get all back neatly.

All Girls: from grade 3 upwards must have their hair up in a classical bun held with pins and grips.

Pupils will not be allowed to commence class until their hair is correct.
